WORK & INTERNSHIP EXPERIENCE

Amazon E-Commerce VA & Graphic Design Specialist

Remote / Freelance | *January 2024 – Present*

- Created and optimized Amazon product listings, using keyword research to support organic search visibility and indexing.
- Designed listing main images, feature callouts, infographics, and A+ Content with Photoshop and Canva.
- Monitored PPC campaigns and adjusted keyword bids and negative targeting toward target ACoS/ROAS goals.
- Produced short- and long-form video content for brand storefronts and social media.

Web Developer

GRLE Car Rental | *Bago City* | *January 2026 – Present*

- Designed and maintained database schemas and web interfaces for vehicle upkeep and mileage tracking.
- Improved SQL query structures to calculate mileage differences automatically and reduce manual-entry errors.

Web Developer Intern (OJT)

Department of Education (DepEd), Bago City Division Office | *June 2025 – December 2025*

- Developed a full-stack Learner & School Management System to digitize K–12 academic record tracking and reduce manual paperwork.
- Built role-based authentication and management portals for administrators and teachers.
- Integrated digital verification workflows for official academic files, including SF10 and Form 137.

Customer Service Representative & Chat Assistant

Sakura Shoppu | *Bago City* | *January 2018 – November 2020*

- Handled customer inquiries through chat and email, supporting order tracking, client communications, and product questions.
